DOMINO ENGINEERING CORPORATION

DOMINO Garage Door Keypad Return/Warranty Policy

Our *industry leading warranty* (*"what's right for the dealer and customer"*) is printed below and included with every unit.

Give us a call if you have any questions. There is a good possibility our customer service department can help diagnose and fix the keypad problem over the telephone. Or if you need a replacement, call us and we'll try to ship a replacement keypad the same day.

The warranty is divided into two parts:

1) 12-MONTH WARRANTY and **2) EXTENDED WARRANTY**.

Under the **12-MONTH WARRANTY**, we ask that the unit be returned to us, along with comments of why, and $10.00 to cover shipping and handling, so we can analyze the unit. A new unit will be sent postage paid.

Under the **EXTENDED WARRANTY**, a fee of $25.00 + $5.00 for shipping & handling is charged if a *DOMINO* keypad has been installed between 1-5 years. Return the unit with explanation of why it is being returned and a new or repaired unit will be sent postage paid.

Thank you for using Domino Engineering Products.
